ADDENDUM TO SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER
37 C.F.R. 1.97(c) WITH PAYMENT OF FEE UNDER 37 C. F.R. 1.17 (p)
MAILED ON 10/30/03

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A Supplemental Information Disclosure Statement for the above-identified patent application was mailed via Express Mail Post Office to Addressee with 37 CFR 1.10 certification today (October 30, 2003). Inadvertently, five WIPO documents were not listed on the form and copies were not included. Therefore, an addendum PTO 1449 page is enclosed herewith. The five PCT publications are listed thereon. Copies of the first pages of the documents are transmitted herewith. Since it would be impractical to transmit the entire documents via facsimile because of the large number of pages, a copy of this letter, PTO-1449 addendum page and copies of the entire documents will be mailed via Express Mail tomorrow (10/31/03). Please add these to the Supplemental IDS that has already been mailed via Express Mail.

Serial No. 09/594,374Page 2

Also transmitted are copies (marked "COPY") of the Supplemental IDS cover letter and the other three pages of the PTO Form 1449 that were mailed today (10/30/03).

This Information Disclosure Statement is not to be construed as a representation that a search has recently been made, that additional information material to the examination of this application does not exist, or that this citation constitutes prior art.

PAYMENT OF FEE SET FORTH IN § 1.17 (p)

Since this is an addition to the Supplemental IDS of 10/30/03 that has already been mailed, it is respectfully submitted that the IDS fee should be charged only once and not twice. However, if the Office disagrees, please charge Deposit Account No. 50-0383 of Hughes Electronics Corporation, El Segundo, California, in the amount of \$180.00. The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to that account. **This form is being submitted in duplicate.**

Respectfully submitted,
DONALD C. D. CHANG, et al
